Good afternoon Ms. Edwards - In reference to your request for status on FOIA request (GSA-2015-000092), the Human Resource SME has completed the compilation of the requested information, however, I am waiting input from the EEO SME since your request also asked for "reasonable accommodation filed a grievance with the GSA EEO." As soon as I receive their input, I can coordinate for final approval and release. I'm hoping to receive EEO input early next week and released to you NLT the end of next week.

I apologize for the delay and appreciate your patience. Thank you.

Ms. Brooks: I would like to know if my FOIA request will be completed and sent to me today based on the information that is in the on-line system. Initially, the date due was 11/25/14, but the date due was extended by GSA to 12/5/14, seven (7) calendar days, and no one from GSA FOIA notified me. I have made several attempts to get status updates with no responses.

Can I please get an update on this outstanding FOIA request.

V/R,

J. Maureen Edwards
